

Minutes YRALIS PHRF Meeting 08AUG24

Via Zoom

Present: Rick Sinclair, Mike Colucci, Paul Kueffner

Acting chair Sinclair opened the meeting at 20h20.

Lacking a quorum, no determinations were made on any issues.

X 4.0- Xenios rating review: Additional data showing results from one race and comparisons to ratings in other fleets was supplied to the Committee in support of an adjustment in their rating. The full Committee will review this information at their next meeting in September.

Vineyard Race Certificates: It was noted that three boats needed ratings for the upcoming Vineyard Race. Handicappers will ensure they are issued shortly.

Review of pending Certificates:

Aquarius: June Kendrick to verify details

Lapin: Standard Farr 47 base to be used

Lucky Luke: Base boat includes carbon mast for our purposes.

Discussion issues for the off season: Adjustments for using the smaller class spinnakers in the J/109 and J/105 fleets seem to run counter to the Committee's stance on no adjustments for smaller sails than permitted.

How can we reduce the number of applications that are submitted without sail dimensions that are critical for determining various adjustments?

Meeting was adjourned at 20h45

Respectfully submitted,

Paul Kueffner

Secretary

YRALIS PHRF Committee
